Abbotsford. The well-loved home of Sir Walter Scott. The situation and ornamental grounds were created and almost all the trees were planted by him. The house is pleasantly situated beside the river Tweed, three miles from Kelso, and contains many interesting relics of the poet, a valuable armful of mediaeval weapons, and a very fine library.

Abbotsford. The well-loved home of Sir Walter Scott. The mansion and ornamental grounds were his creation and almost all the trees were planted by him. The house is pleasantly situated beside the River Tweed, three miles from Melrose, and contains many interesting relics of the poet, a valuable armoury of mediæval weapons, and a very fine library.

Dear Francis,
Had a letter from you many thanks for
card. Annie has been home
but only for a fortnight.
She is back again now
and is much better. She
was going to see you but
Covant. get about much.
